Education

B.Tech in Information Technology 2022 – Present
KIET Group Of Institutions, Ghaziabad — Graduation Year: 2026

Higher Secondary Certificate (CISCE) 2019 – 2021
City Montessori School

Secondary School Certificate (ICSE) 2017 – 2019
City Montessori School

Experience

Frontend Developer Intern Feb 2025 – Mar 2025

Calendar Pro — Remote

Next.js, React, Tailwind CSS, Firebase

- Built and optimized **SEO-friendly components** with Next.js, increasing website visibility and load speed.
- Integrated **Firebase Authentication** and Firestore, cutting login delays by 50% and securing user sessions.
- Created reusable **UI components** in Tailwind, standardizing layouts and reducing redesign effort.
- Upgraded the dashboard with dynamic **ticket workflows**, simplifying task tracking for 1000+ users.
- Added robust **error handling and validation**, lowering bug-related support requests by 30%.

Projects

College Society Attendance System (*Next.js, React, Tailwind CSS, Firebase*) (Live)

- Developed a real-time **attendance management system** with QR code-based check-ins, reducing manual effort by **70%** and ensuring automated tracking.
- Integrated **Firebase Authentication** and **Firestore**, improving data security and retrieval efficiency by **65%**.
- Implemented a **scanner dashboard** with live camera preview, increasing QR scanning accuracy and transparency by **60%**.
- Enhanced **admin control features** for task assignments, event tracking, and attendance analytics, boosting overall operational efficiency by **75%**.

Giphy Website (*React.js, Giphy API*) (Live)

- Developed the **Giphy project** using **React** to build a dynamic, **component-based UI** that efficiently handles user interactions and updates in real time.
- Fetched **GIF data** using the **Giphy API** with optimized asynchronous requests, improving API response efficiency by **70%** and reducing loading times.
- Implemented **search functionality with debouncing** in React, minimizing unnecessary API calls and improving user experience by **60%**.
- Ensured **90% responsiveness and accessibility** across devices using modern CSS techniques like **Flexbox**, achieving a **mobile-first design**.

Portfolio Website (*Next.js, Framer Motion, Tailwind CSS*) (Live)

- Enhanced **user experience** by **60%** through the use of **Framer Motion** for smooth, responsive **animations** and intuitive transitions.
- Boosted **engagement** by **50%** by structuring content in **interactive sections** (projects, skills, timeline) with clear navigation and appealing **UI components**.
- Achieved **100% mobile responsiveness and accessibility compliance**, ensuring consistent experience across devices and screen sizes.

Technologies

Languages: C, Java, Python

Web Development: HTML, CSS, Bootstrap, JavaScript, Tailwind, React, Next.js, Framer Motion, GSAP, Node.js, Express, MongoDB, Firebase, Supabase, Inngest

Tools: Git, GitHub, VSCode, Canva, Figma

Certificates

Google Cloud Study Jams Certificate

AWS Academy Cloud Foundations Certificate

JavaScript Crash Course Certificate
